Folks - a couple of updates on Dimock briefings.

- * Below is the current version of the Administrator briefing that is with Shawn for review - awaiting any feedback there (slight changes from version 4)
- * **We need to get PPT down to Bob Sussman around 2 pm today with any essential changes or improvements for accuracy; Please send any markup changes to Angela and me by 1 PM TODAY.**
- * We will send materials to the Administrators office by 4 pm today
- * A Bob Sussman update briefing is currently on the calendar for 8 am Friday morning - Janice is seeking to change the time however.
- * Still uncertain if Shawn or others will be traveling to DC on Friday or video hookup for all. Janice is working this and will let folks know - thanks.

Received a few comments and made some changes in language to slides 2, 4, 6, 8, and 11. Also took out that bolded language on slide 6. Will ask Jon if we can send the file upstairs for review by the RA's office.

Thanks again to all for your responsiveness in pulling this material together.
